You and your future are the reasons why this College exists.

Our mission is to place you and all learners at the Heart of Excellence.

Use of offensive language is upsetting to hear, but more so to be a victim of. Don't use it.

Respect others for what they are, including their differences and different needs.

Care about *your* College and the facilities that have been put in place for you.

Our belief is that learning transforms lives - use it to transform your life.

Look after yourself and the College Community. Have fun and work hard safely.

Look around. We welcome learners from all sections of society. We ask that you do too.

Everyone has the right to be heard and the right to feel safe. Bullying is unacceptable.

Grow with confidence whilst studying, by working with and helping others.

Enjoy yourself! We strive to give you a memorable and enjoyable experience.

Value your ability to solve problems and communicate.

Aggressive or violent behaviour is unacceptable. Think twice before you act.

Learners have access to many recreational facilities. Use them respectfully and with care.

Using drugs and other illegal substances is not an option. We have zero tolerance.

Every learner is valued equally and we constantly seek new ways to support you.
