

Unspent criminal convictions?

(Do you have any relevant spent or unspent criminal convictions, any outstanding court proceedings, or are you on any offender's register?)

Relevant Convictions means convictions for offences:

1. Against the person, whether of a violent or sexual nature
2. Involving the unlawful supply or use of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking
3. Arson

If you are applying for a course in health, social work, sport, childcare or involving work with vulnerable adults, previous criminal convictions may affect your ability to attend work placements and possibly achieve your course

If you declare that you have a conviction, you will be asked to complete a separate information sheet. This is to help us assess any potential risks, to yourself or others in the college

Having a criminal record will not necessarily prevent you from studying at College but will depend on the nature of the course and the circumstances and background of the offence

If you do not disclose a relevant conviction, then this could result in disciplinary action by the College
