Criminal Convictions

If you do not tick either the 'Yes' or 'No' in the box provided, we will contact you to get this information and this will delay your enrolment. You must tick 'Yes' if you have a conviction unless it is a minor civil offence OR a spent sentence (as defined by the REHABILITATION OF OFFENDERS (JERSEY) LAW 2001). Please be aware that dependent on the nature of any conviction it may affect your application for certain courses, particularly in teaching, health, and social care, where you must tell us about ANY criminal conviction(s), including spent sentences and cautions. If you are convicted of a criminal offence after you have enrolled or have a court case pending, you MUST let us know immediately. If you are not sure whether to tell us about a previous conviction you should get more advice from Citizens Advice Bureau or Student Life.

Careers Advice and Guidance

Independent advice regarding career routes can be obtained from the College 608752 and/or Skills Jersey at Bermuda House, Green Street, St Helier, JW2 4UH 449440. There are entry requirements for most programmes of study that you may need to discuss – some of which may be minimum requirements. Possession of these grades does not automatically provide course access.

Financial Implications of full-time study

It is vitally important that you are fully aware of all the financial implications involved before committing yourself to full-time study. Please discuss course costs at interview. Under certain circumstances, you may be required to pay full tuition fees
