## The Higher Education Fair 17 March 2022

Dear Parent / Guardian,

I am very happy to invite you to this year's Higher Education Fair which will be taking place on Thursday 17 March at Fort Regent, sponsored by Aztec Group. Schools will be visiting during the day, and we invite parents and guardians to attend between 3pm and 6pm. Our Student Finance team will be on-site to answer any questions about funding and grants.

Over 35 universities and colleges will be represented from on-Island, the UK and further afield. You can find further information on even more universities on the Higher Education Fair website – [www.jerseyskillsshow.com/higher-education-fair](http://www.jerseyskillsshow.com/higher-education-fair)

While the focus of the event is higher education, there will also be the opportunity to learn about alternative routes and general careers advice from our Careers Guidance team.

Although the fair is aimed particularly at students in Year 12, who will shortly have to make decisions about going to university, students from other years could find attending very useful, especially in helping them choose their A-Level subjects, International Baccalaureate or a course at Highlands College.

### What your child can expect on the week of the Higher Education Fair:

- **Monday 14 and Tuesday 15 March** - University live sessions for parent and student
- **Wednesday 16 March from 6pm to 7.30pm** - University College Jersey open evening
- **Thursday 17 March from 3pm to 6pm** – Higher Education Fair at Fort Regent
- **University talks during school time** - Giving you a chance to hear direct from universities and institutions to ask their own questions
- **Explore university/institution pages** - Information about higher education, videos, and relevant resource will be available at [www.jerseyskillsshow.com/higher-education-fair](http://www.jerseyskillsshow.com/higher-education-fair)

The Higher Education Fair is an important date in the Skills Jersey calendar. If your son or daughter is considering higher education, even if this is only a vague possibility at this stage, I hope that you will encourage them to research and join one of our live university session to find out more.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Jeremy Field'.
