

## **Collection of Lateral Flow Tests for all College students**

Dear parents and students,

I hope you had a wonderful summer break.

Ahead of College commencing in a couple of weeks' time (from Monday 13 September), you can register now to claim your free Lateral Flow Tests.

The self-testing kits contain 25 Lateral Flow Tests for all secondary school students to use twice a week, at home, for the next 12 weeks.

Details of how to register can be found on this webpage and will go live today, Thursday 2 September

<https://www.gov.je/Health/Coronavirus/Testing/Pages/EducationTesting.aspx>

The above link also includes a step-by-step guide for self-testing at home.

The Lateral Flow Testing Kits will be available to collect at Highlands College from Main Reception on Tuesday 7 September and Thursday 9 September between 10am and 4pm.

Alternatively, you can collect them from a number of Parish Halls and at the Department for Children, Young People, Education and Skills, from Thursday 2 September.

However you choose to collect, you will need to have registered online first and have your personalised code with you on collection.

Please visit the individual Parish Halls website for their opening hours and ensure that you have your personalised code when collecting the Lateral Flow Tests.

- St. Saviour
- St. Lawrence
- St Brelade
- Grouville
- St Ouen
- St. Helier
- St John
- St Clements
- Children, Young People, Education and Skills Department – Reception desk (based at Highlands Campus)

I would urge you to take up this offer of twice a week testing at home. These self-testing kits offer the best ongoing protection available for all college students and staff.
